OF LOCAL INTEREST

VISITING RAILROAD MAN—L. W. Wells, general manager of the Texas Midland Railroad company, arrived here last night via the Santa Fe. He comes merely to look over the valley and visit his old friend, J. B. Girard, territorial engineer. They are friends of many years, having worked together in the long ago when both were much younger in engineering experience, and for that matter, various other kinds of experience.

A SUFFERING FAMILY—Two Mexican women accompanied by six small children called at the office of the sheriff yesterday afternoon for relief. They had just arrived from the City of Mexico and had walked all the way. They were without food, and not a cent and had no acquaintances in the city or for that matter in the territory. Their immediate wants were provided for by generous bystanders.

CALLED HOME SUDDENLY—Mr. and Mrs. Herbert Morris of Winslow were here yesterday, coming expressly to attend the Shriner festivities. They returned home last evening, however, responsive to a telegram informing Mr. Morris of the necessity of his appearance on the job again. Mr. Morris is a claim agent for the Santa Fe and it is understood there was a wreck somewhere in his territory that made urgent business in his department.

EL PASO SHRINER—Among the visiting Shriners in the city is H. A. Carpenter of the firm of H. A. Carpen-

Feet Tired—So Tired?

TIZ makes Sick Feet Well No Matter What Ails Them.

TIZ acts at once and makes tired, aching, swollen feet remarkably fresh and sore proof.

It's the sure remedy, you know, for everything that gets the matter with your feet. It's for sore feet and for sweaty, bad-smelling feet, and for corns, callouses and bunions, too.

"For years I have been troubled with sore and tender feet; suffered intense pains. Have had the assistance of physicians without relief. I bought a box of TIZ, which worked a perfect cure, as it has with a great many of my friends. I would not be without it. All it requires is to be known to be universally used." A. F. Dreutzer, Chicago.

TIZ is not a powder. Powders and other foot remedies clog up the pores. TIZ draws out all poisonous exudations which bring on soreness of the feet, and is the only remedy that does. TIZ cleans out every pore and glorifies the feet—your feet.

You'll never limp again or drag up your face in pain, and you'll forget about your corns, bunions and callouses. You'll feel like a new person. TIZ is for sale at all druggists, 25 cents per box, or it will be sent you direct, if you wish, from Walter Lathrop Dodge & Co., Chicago, Ill. For sale by all druggists.

AMUSEMENTS

WIGWAM.

The Wigwam is still crowded nightly, and Manager Mullen is thinking of again increasing his seating capacity. A few days ago he added fifty chairs but they do not seem to have done much good. People are standing outside the Wigwam nearly every night waiting for a chance to get in.

They have something to wait for. Take the program to be presented this evening, for instance. "The Clothes Make the man," a real comedy, is the leading picture. It tells the story of two men who make a bet. One wagers that it is not the clothes that make the man, but the man that makes the clothes. To prove it he dons the garb

of a tramp and straightway his troubles begin. He can't borrow money from his best friend, his dog bites him, his sweetheart repulses him and he has other adventures amusing to the audience, but not the least bit funny to him. "Under the Stars and Bars" is a beautiful military drama of the civil war, showing the patriotic spirit prevailing in that time of trial. "Outwitted" is a clever drama, and "Around the World in Eighty Days" is a very good one. Miss Ethel Hall will sing "I'm a Lucky Boy to Have a Girl Like You" and "Night and Day."
